PIPELINE

Issue 53

March 2015

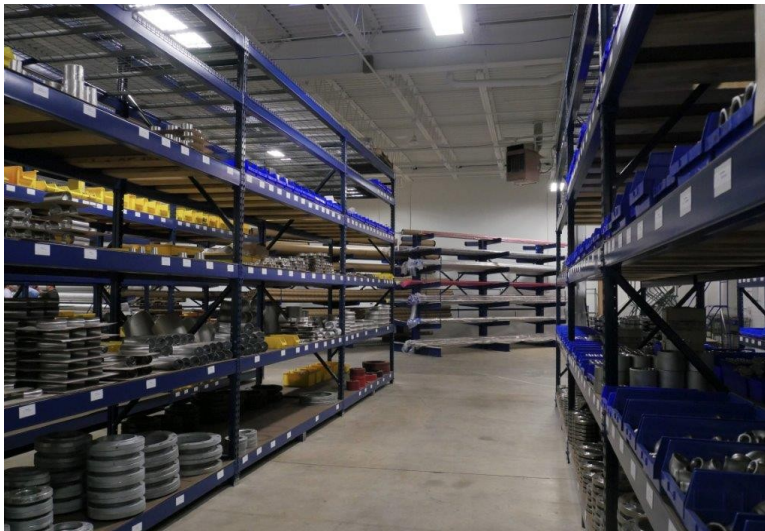

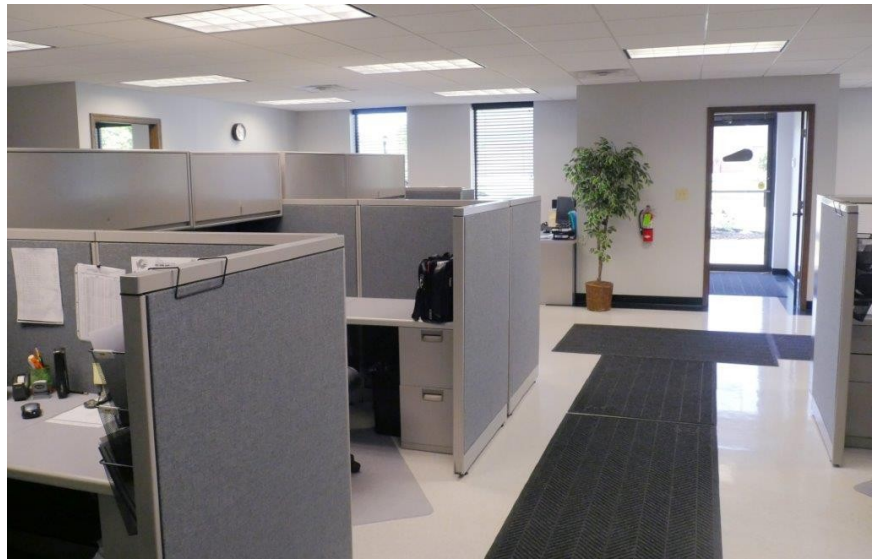

Cleveland Branch

On June 4th, 2014 we celebrated the Grand Opening of our new home at 1532 Enterprise Parkway in Twinsburg, Ohio. It is a free standing building on 3.5 acres with approximately 38,000 sq feet of office and warehouse space. We have been operating from our new home for almost one year and I can truly say what a huge benefit it has been to our operation. Besides the additional space, we have two back in dock doors for unloading, and three additional drive in doors for parking, loading or unloading. Next time you're in Twinsburg, stop in for a visit!

Take a look inside!

This is a view of our general office area.

Bay 1. 12,600 sq ft
Fittings and Tubing.

We are stocking all of our fittings in our first bay on a total of 6 rows of storage racks and 1 row of overstock racks. The tubing is being stored on 3 double sided cantilever racks and 1 one sided rack for our large diameter OD tubing.

Bay 2. 13,000 sq ft Pipe

We are stocking all of our pipe in Bay 3. This is also where our Marvel saw is located. We have 6 double sided cantilever racks and 3 one sided for our 4" and under pipe.

Hi, My name is Chris Smith and I have been with Robert-James Sales for eight months. Time has really moved fast! Prior to working for Robert-James Sales I had been in the Army Reserve for three years. My job consisted of training people under me to drive and maintain the majority of our assigned vehicles. In my spare time, I like to read and play video games and of course be with family and friends!

It was announced that the 2016 Republican National Convention will be held in Cleveland July 18th– 21st.
