DOWNTOWN STOCKTON CALIFORNIA SKYLINE

Meet!

My name is Kym Bazan and I'm the branch manager in the Stockton Branch. I've been in this industry for over 22 years, much of that spent working for my family company GFI Stainless. My initial exposure to Robert-James was in 1996, when GFI was buying sanitary fittings from the production division. In 1997-1999 I worked for Robert-James Production as the Western Regional Manager. My husband Tommy is a police officer in Modesto. Back when we met, he was a motorcycle officer and was on the SWAT team but with less than 4 years until retirement, he currently does extraditions...its safer. We share our home AND our bed with 6 rescue dogs. We do a lot of traveling, primarily cruises but our favorite place to be is at our cabin in the mountains with our dogs. Animal welfare causes are my greatest passion. One day I hope to own an animal rescue farm... that's what I work for!

Meet!

I've been with Robert James for 6 months now. Prior to joining the team in Stockton I worked 12 years in the industry for GFI Stainless. I currently live in Modesto, Ca but grew up in the SF Bay Area. I have been married to my wonderful husband Gary for 14 years and I have 3 kids, Sydnee 25, Mateo 12 and Julian 10, not to forget my granddaughter Raya or as I call her my Raya Sunshine! When I'm not at work I enjoy all kinds of sports, (go Giants!) traveling, and just hanging out with my family!
