I was born in Philadelphia, PA. I currently live in Willow Grove, PA with my wife of 15 years Nicole and our two daughter Dakota (21) and Jeanine(17), We also have two dogs, Roscoe a Norwegian Elk Hound and Mia a Puggle. I've worked in the PVF industry for over 30 years. I started working for my father's company over summer break from school and have been doing it ever since. I've been with Robert-James since December of 2019 so very much still the rookie to the RJS family and I am enjoying every minute of it. I'm very much a Philly sports fan with my heart being with the Eagles and Flyers. I also enjoy checking out local craft breweries in the area and any odd or unusual events happening in the city.

Meet!

Rob's dog Lily she is 4 years old.

Hi everyone. My name is Rob Zidar and I joined the Robert-James New Jersey Inside Sales team in July. I'm Canadian but I have lived in NJ for the last 21 years. My wife and I have 3 great kids –two boys in college and a daughter in 7th grade – and one very good dog. Before joining RJS, I worked in a number of different sales roles in New Jersey and California. After graduating college, I spent a year teaching English in Japan where I met my wife. In my free time I enjoy spending time with my kids, watching sports and playing golf.

My name is Jill and I started at RJ Sales NJ in June 2019.

I was raised in Queens, NY and moved to Middlesex NJ with my family

My professional background is in investment banking. My clients were the traders and account managers. I've worked in different capacities such as system testing, audit and control, managed a mutual funds and money market team, helped in designing and implementing trading system, and reconciliation of shares and funds. My greatest accomplishment is in the staff that I developed and the quality of work produced during my career.

My husband and I just celebrated our 30th anniversary this past June. Since I left the world of banking, I've had the opportunity to support my children's individual and career development. I am the proud parent of 3 socially conscious young adults.

This past spring I spent time with my eldest daughter as she finished her final exams and helped pack up for the return home. She graduated this May from law school. My youngest daughter also graduated this May with a bachelor in pharmaceutical sciences and is continuing on towards her PharmD degree.

My passion is reading crime mysteries and romances, working in my yard and organizing my family. We are all animal lovers in my family. We work with an animal organization to adopt out homeless cats.

Welcome!

Hi, my name is Steven lee. I have been a part of Cranbury's warehouse section for a little over a month now. I grew up in queens, NY before I moved to NJ after a short stint in the navy. Before I came to Robert-James Sales I was in the USPS for a little over 2 years. Outside of the office I enjoy shooting, street ball, basketball, and anything related to cars.
